LEADERSHIP TRAININGS

*Winter Edition*  
*December, 2022*

Dear relationship,

We want to thank you for being with us this year!

When we look back on this year it is with **gratitude**; we were able to invite people live again in our Center, where more people found their vision and started creating the life they want.

We contributed to 5 different **charities** with our leadership teams.

This year as a company we grew with more partners, more trainers and more programs; like our first **training for teens**. We also started expanding our trainings to **businesses and schools** to make a difference out there. We are exited to start a new year of transformation and we hope you do too.

We wish you a great December month.

And we are looking forward to seeing you again in 2023!

**With love,**  
**Team Gettinvolved**
